

## Time on Court Guide for Coaches

1. Time on Court – Rounds 1 – 15 Fixtures
2. Time on Court – Finals

The aim of this document is a guide for Brothers coaches for Time on Court for all registered players. Modified teams – Modi 8; Modi 9 and Modi 10 teams will be guided by PRNA Modified Rules and Rotation Guide.

1. Time on Court – Rounds 1 – 15 Winter Season Day Fixtures. This policy does not include Winter Day Finals – Semi Final; Preliminary Final; Grand Final played after the final fixture rounds.

It is expected that coaches will give 60% to 65% time on court to each registered Brothers player in the team for the season fixtures rounds 1 – 15 (or as many as PRNA has for the season).

This time on court includes the availability of players due to sickness, injury or not being available to play in any round.

Eg if a player is away for 2 weeks they will still have to take a turn off on return.

2. Time on Court – Winter Season Finals – Semi Final; Preliminary Final, Grand Final.

It is expected that coaches will give 25% time on court during any of these finals. This will be dependent on the availability and skill level of players available and positions required. The coach will use the knowledge of team players, positions and skill level collated during the regular fixture season.

Eg if there is only 2 shooters in a team and the coach feels no other player is up to the skill level these two players will stay on court for as long as coach deems necessary during the finals.
